“ How do you say goodbye to a person with a personality as strong and outgoing as Jackie L, Jones' was? She was a child of GOD first and loved her church time. She was a dutiful daughter and cared for her parents, especially her Mother. She was a good young wife and a great Mother to her daughters and a loving grandmother to her grandchildren. She loved all members of her family and tried her best to meet their needs. Jackie could brighten any day with her laughter. She always called me her sister, even though we were first cousins, but she could pour out her heart to me and me to her. We didn't see each other much anymore, because of our age and the distance between Ohio and TN. We managed to reach out to each other by phone. I know Aunt Ruby, Uncle Frank, and Douglas were glad to see her. And all the rest of our family too I know were there with them to meet Jackie at her "home coming". She isn't with us in person, but I feel her strong spirit present with me. So, I'll just say, Jackie, I love you babe and I'll see you again in Heaven one of these days.

“ Dearest Jackie,

You and your family have our sincerest condolences at this difficult time. We are here if you need us.
